

PLANNING ADMINISTRATION AND FINANCE DIVISION COLLABORATIVE TARGET SETTING FOR FY 2025/2026.

The Planning and Administration Division, under the leadership of Professor Eucharika Kenya, held its 42nd quarterly divisional meeting on 26th July 2025 at the University Guest House boardroom. During the meeting, each Head of Section/Unit presented their Performance Contract (PC) targets for the 2025/2026 financial year. The presentations welcomed constructive discussions, allowing fellow Section/ Unit Heads to offer their input and recommendations. This exercise was conducted under the guidance of a team from the PC & ISO Office, ensuring clarity and relevance of the proposed targets. The collaborative discussions helped members refine their targets, making sure they were realistic, achievable and that they aligned with the University's budget, Strategic Plan, and Annual Work Plan to support institutional priorities.
